

Worried about some kids in your
party that have to eat
GLUTEN FREE?

We Offer Gluten Free Pizza

How it is priced:

If you just need to add a gluten free pizza to the regular pizza you are already getting for just a few children, we can add one for \$5.00 / pizza plus tax.

If you want to replace all the pizzas with gluten free pizzas we can do that for an extra \$2.29 / pizza plus tax.

Keep in mind the pizza is a little bit smaller than our regular Birthday party pizzas. Gluten free pizzas are 10", our regular party pizzas are 12"
