Not Your Typical "BOWLING ALLEY"

THE FFEC Story

In the summer of 2003 the old Franklin Lanes was totally transformed into the new Franklin Family Entertainment Center. Today FFEC is one of the premier entertainment facilities in the United States. The facility has won several National and International awards for its unique architecture and modern and upscale environment. The center has been featured in three industry-leading magazine articles and is currently the showcase center for an international advertising campaign. Call or Email us today to set up a private showing to see all we have to offer. Come see why the all new Franklin Family Entertainment Center is not your typical "BOWLING ALLEY".
